

AGRODEX CaB

DESCRIPTION

AgroDex CaB has highly available naturally complexed elements, formulated to rapidly correct and prevent Calcium deficiencies in a wide variety of crops and soils. AgroDex CaB is formulated with boron for improved results.

PRODUCT FEATURES

AgroDex CaB contains an array of organic acids, partially hydrolyzed proteins and free amino acids, which allow the elements a low molecular weight chelation, therefore ensuring the most effective movement to the functioning parts of the plant structure.

APPLICATION RATES

USE	PRODUCT	WATER	APPLICATION
Broadacre/ Cotton	1-3L/Ha	50+L	Early flowering and seed set.
Vegetables	2.5-5L/Ha	250+L	Apply as required.
Stone Fruit/ Pome	2.5-5L/Ha	250+L	First spray on leaf emergence and early flowering with follow up sprays as required..
Nuts/Olives	1-3L/Ha	250+L	At pre-flowering and again after set..
Sub Tropicals	2.5-5L/Ha	600+L	Bud development and early flush and set.
Grape Vines	2.5-5L/Ha	200+L	Apply pre and post flowering sprays.
Turf	100ml/ 100m ²	100+L	Apply as required to correct deficiencies.
Volume Rate	500ml /100L	100+L	Volume Rate = Spray Volume x 0.5% product (500ml of product per 100L of water).

- Use higher rates for ground / irrigation applications.
- Rates can vary by crop, soil type, nutrient deficiency and other factors.
- AgroDex products may be soil applied using irrigation system via trickle, dripper or mini sprinkler.
- This product may also be foliar applied via boom spray, aerial or sprinkler with sufficient water to cover leaves and fruit.

FUNCTION

Calcium, together with Boron is essential for cell division, cell strength and membrane permeability allowing transport of elements to essential parts. AgroDex CaB improves the quality and shelf life of all fruit and vegetables.

APPLICATION

All AgroBest nutrition products should be applied in conjunction with a specific nutrition program developed by an AgroBest consultant based on a suitable soil/sap analysis.

ANALYSIS

Element	W/V
Calcium	10 %
Boron	0.8 %
Nitrogen	5 %
Organic Acids	3.0 %

OTHER INFORMATION

This product may be mixed with some fertilizers and pesticides. Always check compatibility before tank mixing. Ensure all product labels are read carefully.

SIZES

AgroDex CaB is available in four sizes :

5 Litre, 20 Litre, 200 Litre, 1000 Litre
